

Positive Money Tower Hamlets Community Group

TO DEAL WITH THE BIG SOCIAL, ECONOMIC AND ENVIRONMENTAL CHALLENGES WE'RE FACING TODAY, WE NEED TO TRANSFORM OUR MONEY AND BANKING SYSTEM. POSITIVE MONEY'S VISION IS FOR A MONEY AND BANKING SYSTEM THAT SERVES A FAIR, DEMOCRATIC, AND SUSTAINABLE ECONOMY.

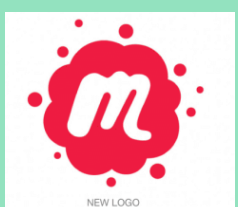

Enough is Enough

Central banks no longer have any effective means to save our economy when the next crash happens. This will cause even more devastation than the 2008 crash which we are *still* recovering from.

Boom and bust cycles are the symptoms of a diseased and irrational growth addiction. Are we finally ready and able to transition to a mature economy where growth is replaced by sustainable choices?

We'll be showing some videos and having a discussion about how to get to a safer economy and provide better stewardship of our natural resources.
